Couples whose relationships have been damaged by abortion and who both desire to work through the loss can still grow tremendously in their intimacy and love for one another. Post-abortion healing can result in many blessings for a marriage. Call us and let us help you find hope and healing.

Next English Retreat Sept. 15

Support the Holy Father's Charitable Works during the Peter's Pence Collection on June 24/25

From his first Angelus address, Pope Francis has emphasized the power of mercy to change the world by bringing comfort and justice to those who are suffering. The Peter's Pence Collection is an opportunity for those in your parish to join with the Holy Father and support his charitable works around the world. This collection has ancient Christian roots and a present day impact with lasting effects. By encouraging your parishioners to support this collection, the world can become a bit less cold and a bit more just.

In his 2016 *Urbi et Orbi* address, Pope Francis reminded us of the resurrection message of hope and new life. He encouraged us, "May this comforting message of Jesus help each of us to set out anew with greater courage and hope, to blaze trails of reconciliation with God and with all our brothers and sisters. How much we need this!" And how much we need your help to blaze these trails. We rely on your

support to ensure the success of this collection.
