# Mary Magdalene: Insights from Ancient Magdala

Wednesday, June 6 at 6PM  
KC Hall (1700 Riney Road, Denton)

Jennifer Ristine is the Director of the Magdalena Institute in the Holy Land at the recently excavated site of ancient Magdala. She gives context to the first century ambience of Magdala by presenting some of the archaeological discoveries since the 1970's up to the present day. As a consecrated woman in the Catholic Church, she also connects scriptural texts to theological and spiritual reflections, enticing the gospel imagination to bring alive the encounter between Jesus and Mary Magdalene.
